

Learn Well

Holistic Education

Hello

Thank you for your interest in Math Moves. Enclosed you will find 2 documents: Student Inventory, and Registration Form. Please have your child complete the inventory and return it with your registration form. **Do not return to school.** Both can be mailed to:

Jennifer Bergin
155 Steere Street
Harrisville, RI 02830

Please make check payable to Jennifer Bergin.

All materials will be provided for the class. However, I ask that each child bring a bottle of water (no vitamin or flavored waters – plain water only.) Hydration is an integral component of brain compatible learning. We will take frequent water breaks. Thank you!

I look forward to meeting your child and having some ‘fun with math.’

Sincerely,
Jen
